

# Technical Disciplines Reviewer Groups

Group A (609) 530-3777			
A-1	Aerial Photography Surveys	H-3	Hydrology, Hydraulics
A-5	Asbestos Remediation	L-1	Landscape Architecture
C-7	Contamination Screenings	P-6	Pavement Design
G-1	Geographical Information Systems	S-1	Surveying
G-3	Global Positioning Systems	T-3	Transportation Access Management
G-4	Goods Movement	T-6	Transportation Master Planning
H-1	Highway Design	T-7	Transportation Planning

Group B (609) 530-8341			
C-4	Construction Management - Bridge Painting	E-9	Electrical - Highway Lighting
C-6	Construction Management - Bridge / Road	R-1	Roadway Inventory
E-2	Intelligent Transportation System (ITS) Facilities	S-2	Subsurface Utility Engineering
E-5	Environmental Physical Site Investigations	T-4	Transportation Data Systems
E-7	Environmental Remedial Support		
E-8	Electrical – Traffic Signal Systems		

Group C (609) 530-4827			
A-3	Archaeological Surveys	I-6	Inspection of Dam
A-6	Aviation Services	M-3	Mobil Air Quality Monitoring & Analysis
B-1	Bridge Design	M-4	Maintenance Management Systems
B-4	Bridge Design - Movable	M-6	Prestressed / Precast concrete Inspection
D-2	Dredge Material Management	M-7	Inspection of Structural Steel and Welding
G-2	Geotechnical Design	N-1	Noise Measurement & Analysis
H-2	Historic Architectural Surveys / Mitigation	P-2	Pavement Management Systems
I-1	Bridge Inspection, Simple	P-3	Pedestrian / Bicycle Facilities
I-3	Bridge Inspection, Movable	T-5	Transportation Demand Modeling
I-5	Bridge Inspection, Complex	T-11	Transportation Demand Management

Group D (609) 530-4636			
C-1	Claim / Litigation / Support Services	P-4	Public Involvement - Transportation Issues
E-3	Environmental Assessments / EIS	T-1	Traffic Engineering
E-4	Environmental Permitting		
M-1	Market & Customer Research - Transportation
